# IJI Company Profile

- **IJI Vehicle Industrial Co., LTD., *founded in 1974***, which, has the capabilities of integrated designing and manufacturing, is the only manufacturer of coaches and buses with a dedicated R&D team in Taiwan.
- We are specialized in the bus skeleton, unparalleled welding technology, etc. to offer the particular customized service.

# Bus Design & Integrated Service

- We are the ONLY company that is staffed with a specialized team of engineers in the research and development of the design/building of the tourist buses.
- 1. (CAID) computer aided industrial design
- 2. (CAD) computer aided design
- 3. (CAE) computer aided engineering
- 4. (CARTRONIC) System Design
- [SI Integrated] Electrical/mechanical synchronization
- (1) Synchronization of electrical/mechanical series for automobiles
- (2) Electrical/mechanical wiring

# Styling & Technology

DRAMATIC STYLING

ADVANCED TECHNOLOGY

101 SUPER LOW FLOOR

All Rights reserved  
by IJT Vehicle

# Bus Body Standard Equipment

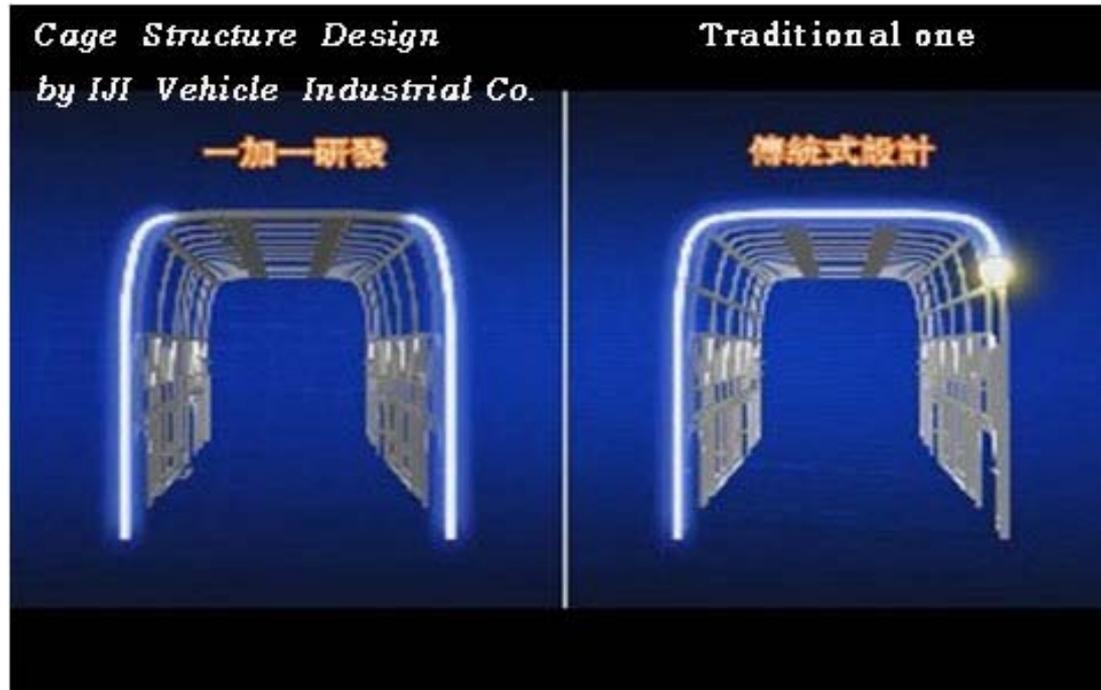

- **Model Design (Taiwan Patents No. D124388, D122839, D126555, D126556, D142171, 96303259 、 96303260 )**
- **The Body Frame Structure was Cage Style Design with Taiwan Patent No. M318557**
- **Overall Framework Used in High-Tension Steel Tubes.**
- **Green Material of Insulation and Sound Absorbing.**
- **Lightweight and Reduce Pollution, Also Increase Traffic Safety and Enhance Comfort.**

# Cage Structure Design

(Taiwan Patent No. M318557)

- - reduce vehicle weight and fuel consumption
- - enhance vehicle rigidity
- -enhance steering stability
- -enhance the safety and avoid the rollover
- -effectively decrease impact force and avoid disintegration

# Model Design

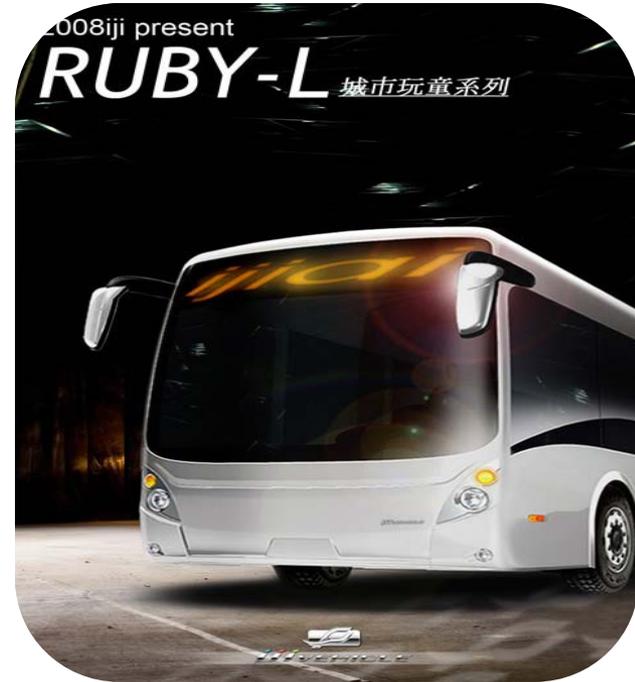

(Taiwan Patents No. D124388, D122839, D126555, D126556, D142171  
96303259、96303260 )

- **RUBY** - Practical City Bus for Chia-Yi BRT Bus

# RUBY - City Bus

# Model Design

(Taiwan Patents No. D124388, D122839, D126555, D126556, D142171  
96303259 、 96303260 )

- **RENEE** - Practical City Bus for Chungli Bus

# Model Design

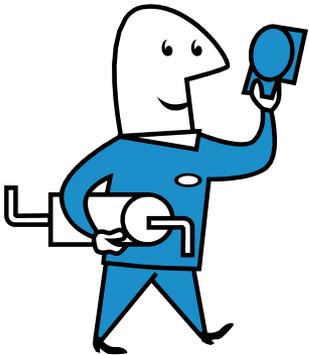

(Taiwan Patents No. D124388, D122839, D126555, D126556, D142171  
96303259、96303260)

## • *Hanske Coach* - Golden Torch Award & Demostration

# Electric Power Mid-Bus \_

*Unique for Hong Kong customer (2011)*

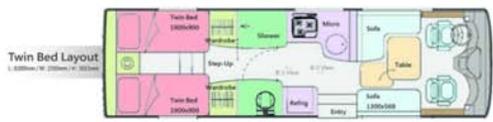

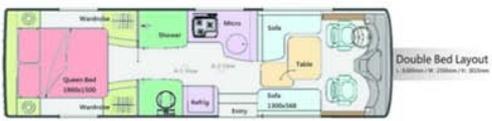

# DUAL-ENGINE POWER SYSTEM FOR ELECTRIC VEHICLES TO INCREASE THE RANGE WITHOUT HAVING TO ENLARGE NECESSARY BATTERIES

# The Latest Middle Bus \_ 8M
