

Ups mold co.,ltd

Hi my name is Michael

Share some products what we manufactured:

LIFTERS

LIFTERS

LIFTERS

FLOAT INSERT

SLIDE

LIFTERS

SLIDE

INSERT

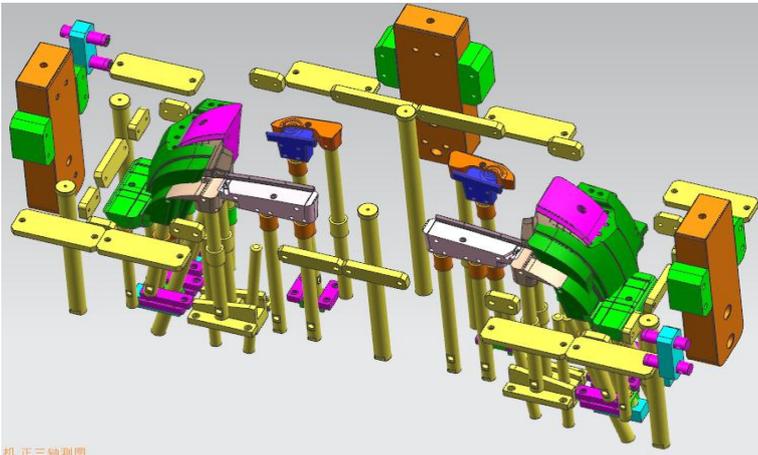

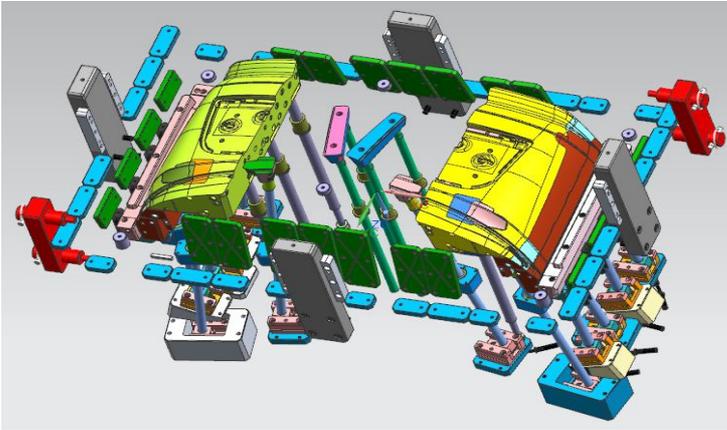

SLIDE WEAR PLATE,SLIDE GUIDE BLOCK

LIFTER

We specialized manufacture: slide core units, slide, wear plate, ejection pin, bushing, auto bumper. and so on.

The following drawing sheet is one whole mold we used to manufactured:

We only need the 3D drawing sheet, color tolerance request, material and hardness instruction, and the rest processing you could find us to do it !

Our goal is ,let manufacture mold parts become easy, and happy.
